

B/A

Towing for a Cure

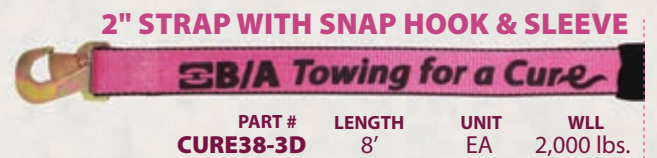

We are happy to announce that **B/A Towing for a Cure straps are back for a limited time only & will return annually!**

Please order by **8/15/14** for October/ November delivery.

In 2013, our team at B/A Products Co. designed a special line of pink "Towing for a Cure" straps to demonstrate our support for Breast Cancer research and awareness. We were overwhelmed with the positive response we received in support of this effort from our entire Distributor Base and Towers alike. Thank you to everyone who participated.

Towing for a Cure Straps are offered as a limited release. A portion of the proceeds is donated to further breast cancer research & awareness.

Carrying bags now included with kits!
*Limited Quantity
